

WE'RE HIRING

Credit Manager

Regina, SK or Calgary, AB

Permanent

English

Applications close: May 2, 2021

Term lending expertise required:

Analyze and adjudicate agriculture loan applications and make recommendations based on credit risk management best practices and FCC policies.

What you'll do:

- Authorize more complex loans beyond the limits of Operations lending staff
- Review and analyze source documents and proposals for authorization
- Assess and consistently apply corporate and credit risk policy
- Analyze administration requests such as loan amendments, security amendments and policy exceptions
- Coach lending staff on a variety of credit policies and techniques, researching the topic if necessary

What we're looking for:

- Strong communicator with a proven ability to collaborate across divisions
- Multi-tasker who can thrive in a busy environment
- Team player passionate about Canadian agriculture
- Proven coach and mentor able to share industry trends and risk mitigation techniques
- Organizational pro with strong risk assessment and analysis skills

What you'll need:

- Undergraduate degree in agriculture, business or economics and at least five years of related experience (or an equivalent combination of education and experience)
- Extensive knowledge of agriculture industry trends, risk mitigation and financial analysis techniques, and accounting principles
- Experience analyzing agricultural loan applications (mortgage, short and long-term credit and revolving credit)
