

WE'RE HIRING

Credit Manager (Bilingual)

Montreal, QC or Mississauga, ON or Kanata, ON

Permanent

English and French

Applications close: May 2, 2021

Term lending expertise required:

Analyze and adjudicate agriculture loan applications and make recommendations based on credit risk management best practices and FCC policies. This position is designated bilingual (English and French), and the successful candidate must be able to communicate in both of Canada's official languages.

What you'll do:

- Authorize more complex loans beyond the limits of Operations lending staff
- Review and analyze source documents and proposals for authorization
- Assess and consistently apply corporate and credit risk policy
- Analyze administration requests such as loan amendments, security amendments and policy exceptions
- Coach lending staff on a variety of credit policies and techniques, researching the topic if necessary

What we're looking for:

- Strong communicator with a proven ability to collaborate across divisions
- Multi-tasker who can thrive in a busy environment
- Team player passionate about Canadian agriculture
- Proven coach and mentor able to share industry trends and risk mitigation techniques
- Organizational pro with strong risk assessment and analysis skills

What you'll need:

- Undergraduate degree in agriculture, business or economics and at least five years of related experience (or an equivalent combination of education and experience)
- Extensive knowledge of agriculture industry trends, risk mitigation and financial analysis techniques, and accounting principles
- Experience analyzing agricultural loan applications (mortgage, short and long-term credit and revolving credit)
